

EKU-CLIPO SLIDING DOOR SYSTEMS

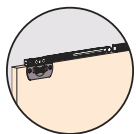

For wood or glass door cabinets

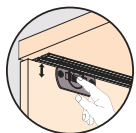

EKU-CLIPO is concealed behind sophisticated sliding solutions in kitchens, living rooms, offices and bathrooms. The technology remains discreetly in the background, and lets the effect of wood, glass or aluminum frames take center stage.

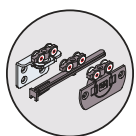

Versatile design variants

Easy installation – tool-less clip-on system and convenient height adjustment

Invisible soft-close mechanism – integrated in running track

Sliding convenience – smooth and soft running
